Sing and dance to the Parka song!

Verse 1

I have a friend who's not like you
Cause she likes to hang out with the caribou
But don't worry cause she's not like me either
Why?! Because she is a beaver!

Chorus

Who can start a campfire with a single spark? PARKA!
Who can chew through trees and eat their yummy bark? PARKA!
So come on everyone - it's a race to see new places
So get on your mark, get set and GO!
With Parka!

Verse 2

I have a friend who's never bored
Cause she opens her door and goes exploring
She's even seen a moose! You have to believe her!
Why?! Because she is a beaver!

Chorus

Who can start a campfire with a single spark? PARKA!
Who can chew through trees and eat their yummy bark? PARKA!
So come on everyone - it's a race to see new places
So get on your mark, get set and GO!
With Parka!
