

Self-Certification Permit

Possession of this permit is a requirement to launch or use any watercraft, fishing equipment, or aquatic recreational equipment in Banff National Park.

Permit Conditions

My watercraft and gear has been:

CLEANED
of all mud, sand, plant and animal materials;

DRAINED
of all water from coolers, buckets, compartments, and other items that may hold water; and

DRIED
for a minimum of 48 hours after being used in the provinces of British Columbia, Alberta and/or the territories of Canada; and

a minimum of 30 days after being used in the United States or provinces other than British Columbia, Alberta and/or the territories of Canada.

I understand that:

- If I fail to meet the conditions in this permit, I cannot use my watercraft or gear in Banff National Park until the conditions are met;
- I must carry this permit with me at all times while using my watercraft, fishing equipment, or aquatic recreational equipment in Banff National Park;
- Self Certification Permits are valid only for the date and waterbody indicated on the permit. I am required to obtain a new permit if I use watercraft, fishing equipment, or aquatic recreational equipment in another waterbody in Banff National Park; and
- This permit is for Banff National Park only.

I attest that I meet and understand all of the conditions in this permit and that I have made every effort to ensure that my watercraft and gear is free of aquatic invasive species.
