Welcome to Banff National Park

Banff National Park offers diverse camping experiences, from cozy and authentic lakeside campsites to scenic sites located within close proximity to amenities in the town of Banff. Seven campgrounds in the Banff area provide convenient access to the park’s most famous attractions. Each campground varies in size, location and services. Check site availability at reservation.pc.gc.ca.

The information in this guide is important to know for your enjoyment and safety. Should you have any questions, staff are available at most campgrounds and are also ready to assist you at a Parks Canada visitor centre.

For information on things to do while in the park, view these guides online at parkscanada.gc.ca/banff-brochures or pick up a copy at a Parks Canada visitor centre.

Year-round Camping

Looking for a new experience? Tunnel Mountain Village II is open year-round for camping. Bring an RV, or pack a tent and enjoy the park under a layer of fresh, glistening snow. For an easy-to-access experience, the neighbouring campground, Tunnel Mountain Trailer Court, becomes a winter activity hub for cross-country skiing, fat-biking, snowshoeing and winter walking. Throughout the park, favourite summer trails become a winter wonderland of snow-covered pines and white-capped mountains waiting to be explored.

Look in the Banff National Park Visitor Guide and visit parkscanada.gc.ca/banff-winter for more information on winter activities.

Campsite Reservations

Reservations are highly recommended for Banff area campgrounds. During the summer months, campgrounds may be fully booked. To ensure a site, make reservations at reservation.pc.gc.ca or dial toll free 1-877-737-3783 (1-877-RESERVE).

For backcountry campers, visit parkscanada.gc.ca/banff-backcountry for more information and to book a site. Numerous hike-in campgrounds are available throughout Banff National Park and all require a backcountry permit and a national park entry pass.

Dates of Operation

Dates of operation vary from campground to campground and are available at parkscanada.gc.ca/banffcamping and on page 4 of this guide. Summer camping begins in early May, with all campgrounds open by mid to late June. Demand is heaviest from June through September, with July and August being the busiest months.

Your Pass to Camping

Campers must acquire the following permits to camp in Banff National Park:

• National Park Entry Pass – available at the Banff East Gate, a Parks Canada visitor centre, or at campground kiosks. Available online at banfflakelouise.com
• Camping Permit – available online (reservation.pc.gc.ca), over the phone (1-877-RESERVE) or at the campground kiosk. Upon arrival, check-in at the campground kiosk.
• Fire Permit – if you would like to have a fire, permits are available at the time of reservation or at a campground kiosk.

More Camping Opportunities

Parks Canada operates a total of 14 frontcountry campgrounds in Banff National Park, with 2 462 sites available during the summer season. In addition to the seven campgrounds in this guide, the Lake Louise area offers additional options for camping, including campgrounds in close proximity to the village of Lake Louise and along the scenic Icefields Parkway.
This campground is small and intimate and offers rustic, no-service camping in a beautiful wooded area along the Bow Valley Parkway (Hwy 1A). Just 32 km from the town of Banff, the campground is suitable for tents or small RVs (up to 24 feet), and is close to nearby attractions, such as Silverton Falls and Johnston Canyon. Sites are available on a first-come, first-served basis only. Self-register as you enter Castle Mountain Campground. Pay by leaving your credit card information or bring exact cash.

Human food kills wildlife.
Do not litter.

Along with this opportunity, however, comes the responsibility to treat wildlife with the respect they deserve. #WildlifeRules in Banff National Park

Wildlife Rule #1: Help keep animals away from human food.

Wildlife quickly find any food, scented items or garbage that is left unattended. Eating these unnatural foods teaches the wildlife to approach people for an easy meal.

Properly store all food and scented items.

A clean campsite or picnic area does not have anything that will attract wildlife (food, garbage, food-related or scented items). Never leave these items unattended:

• Coolers – full or empty
• Food – wrapped, unwrapped or in containers
• Garbage/wrappers
• Dishes/pots/cutlery – clean or dirty
• Beverage containers – full or empty
• Pet food/bowls – full or empty
• Bottles/cans – open or unopened
• Scented products – such as shampoo, toothpaste, candles, citronella, dish soap, sunscreen, lip balm, dish towels
• Barbecues – clean or dirty
• Any other items used for food preparation or that have a smell or scent

Never leave food or scented items unattended or in a tent for even a minute.

#WildlifeRules Need Your Help

Wildlife that eat human food or garbage become aggressive with people. This puts both people and wildlife at risk of being hurt or killed.
Always keep your campsite and picnic area clean.

When you are done cooking or eating at your picnic table, all food, food-related and scented items MUST be stored:

- In a hard-sided vehicle, trailer or motor home, NOT in tents or tent trailers
- In campground food storage lockers

Non-food items such as lawn chairs, tables or lanterns may be left outside. Items such as coolers, cook stoves, dish towels and toothpaste must be properly stored.

Dump dish water down outdoor sinks or at the sani-dump in campgrounds.

Wildlife will feed on garbage: littering means feeding wildlife. Ensure all garbage and recycling are disposed in wildlife-proof bins immediately.

- If you see garbage or recycling left outside in the town of Banff, contact Bylaw Services at 403-762-1218 (8 a.m. to 6 p.m. seven days a week).
- After hours, call Parks Canada Banff Dispatch at 403-762-1470.

How to use the wildlife-proof garbage bins.

- Place your hand inside the handle and push it to the very back to release the latch.
- Raise your arm to open the lid. Dispose of garbage.
- Lower the lid. Ensure the lid is closed tight before leaving.

Wildlife Rule #2: Put garbage in the wildlife-proof garbage bins.

Wildlife Rule #3: Give wildlife the space they need.

For photos, do not surround, crowd or follow an animal. Use zoom or show the animal in its natural surroundings and crop the image later.

Do not startle wildlife. If you make them move, you are too close. Give them space.

Wildlife Rule #4: Slow down. Obey speed limits.

If you see wildlife by the road, slow down, stay in your vehicle and move on.

- Be aware of the traffic around you.
- Pull over where safe to do so.
- Turn on hazard lights.
- Stay in your vehicle.
- Watch for a few moments, take a quick photo, and then move on.
- If a traffic jam develops, move on.

Wildlife Rule #5: Keep dogs on a leash.

Dogs are not allowed on some trails: [parkscanada.gc.ca/banfftrails](http://parkscanada.gc.ca/banfftrails)

Consider leaving your dog at home if you plan to camp, hike or go into the backcountry.

Keeping Your Children Safe.

Bears, cougars, wolves and coyotes may be curious about children and can attack them:

- Keep children in immediate sight and within close reach at all times.
- Children should avoid playing in or near areas with tall grass or dense bushes.
- Never allow children to pet, feed or pose with wildlife.
General
In addition to keeping a clean campsite, a number of regulations are in effect to ensure campers have a safe and enjoyable experience.

Campgrounds and campsite sizes have been designed to reduce our impact on the ecosystem. Exceeding the maximum occupancy of a campsite places stress on the campgrounds and the natural environment.

• A maximum of six people (including children) are permitted on each site.
• Check out or re-register by – 11 a.m.
• Maximum stay – 14 nights
• Camping is only permitted in a designated campground and site.
• Vehicles and tents must be within your designated site and on the gravel pad, not on vegetation.
• Do not tie anything to the trees (this includes tarps).

Respect Your Neighbours
People love to camp because of the opportunity it provides to escape the noise of the city and enter the peace and quiet of nature. Even quiet conversations can carry through a forested area. Excessive noise is not permitted at any time. Any disturbance should be reported immediately to campground staff.

Quiet Hours – Are in effect from 11 p.m. to 7 a.m. daily. During quiet hours, music, campfires, alcohol and cannabis are prohibited.

Alcohol and Cannabis – Open alcohol and cannabis are not permitted between 11 p.m. and 7 a.m. daily. During summer long weekends, a complete ban on the possession of alcohol and cannabis is in effect at all campgrounds. See page 15.

Failure to Comply
Parks Canada staff are here to help and may enter your site to remind you of these regulations. Campers who fail to comply with keeping a clean site and other regulations may have their camping permit revoked without a refund. Campers may be charged under the Canada National Parks Act and National Parks Campground Regulations, be required to appear in court, and could pay fines up to $25 000. The permit holder is responsible for ensuring the campsite is maintained in a satisfactory condition.

Campfires
Having a campfire is one of the most enjoyable things to do when camping. In order to keep your campfire safe for you and for the environment, adhere to the following regulations:

Permit – Each registered party wanting to have a campfire must purchase a fire permit. Permits are available when reserving your site, at the campground or a self-registration kiosk.

Fire Size – Fires must be contained within the metal fire ring provided. It is illegal to have a fire outside of a designated ring. To reduce the negative impact of campfires on the environment, keep your fires to a reasonable size—stack the firewood no higher than the top of the ring.

Wood – Only burn wood obtained from the campground woodlot. Do not burn food or garbage or collect deadfall from the surrounding forest for burning. Use an axe to make your own kindling from the firewood provided.

Times – Campfires are permitted from 7 a.m. to 11 p.m. daily. Fires must be attended at all times, and completely extinguished before leaving the area. Refer to the Alcohol, Cannabis and Fire Bans section on page 15 for more information.

Fishing
A national park fishing permit is required. Permits are available at Parks Canada visitor centres, the Lake Minnewanka boat dock or various retail outlets in the area. Pick up a copy of the Fishing Regulations Summary to learn about special rules related to fishing in a national park.

Alcohol, Cannabis and Fire Bans
From May to September, a number of policies are in place to ensure visitors get a good night’s sleep. An alcohol and cannabis consumption ban and a fire ban are in effect daily at campgrounds during quiet hours from 11 p.m. to 7 a.m. During summer long weekends, a complete ban on the possession of alcohol and cannabis is in effect at all campgrounds.

Please note: there is a difference between a ban on the consumption of alcohol/cannabis and a ban on possession.

Ban on consumption: alcohol and cannabis are permitted at registered campsites but may not be open or consumed during quiet hours.

Ban on possession: alcohol and cannabis are not permitted at any time.

You can ensure you are a good neighbour and guarantee a good camping experience for all, by respecting and adhering to the following guidelines:

Washing Dishes – Use the outdoor sink or a personal basin for washing dishes. Do not use the sinks inside the bathrooms. Dump dish water down outdoor sinks or at the sani-dump in campgrounds. Do not dump in bushes or on the ground.

Washing Laundry – Please use your own tub and dump water down the outdoor sink or sani-dump. Laundry facilities are available in the town of Banff.

Recycling – Bottles and cans (refundable containers) can be recycled in each campground.

Children – To ensure the safety of your children, please supervise them at all times. Children may become lost in the campground or may unknowingly trespass on a neighbouring campsite.

Driving – Respect the posted speed limits and remain alert while driving in the campground. Trees may obstruct your view and pedestrians, especially children, may suddenly dart out onto the road. Watch for stumps close to the road and campsites that might be hidden in the grass.

Accessing Facilities – Please use roadways and pathways to access campground facilities (picnic shelters, bathrooms, etc.) and your own campsite. Cutting through a neighbouring campsite will disturb other campers and may cause damage to the fragile vegetation.

Slow down, my cubs live here.

Obey speed limits.
